Why is Gurukul Needed?

Education means the all-round and excellent development of the child's body, mind and soul. Education is the expression of the inherent perfection of man; development and progress of the country is possible only when the education system of the country is correct. Since ancient times, Gurukul tradition is the oldest system in our India, and due to education being done through Gurukul tradition, India was called Vishwaguru. If we look at historical times, Chandragupta Maurya had received education by staying with Acharya Chanakya of Takshashila. There are many types of education but man's welfare is achieved through Satvik Vidya and Gau-Mata plays an important role in attaining Satvik Vidya. To attain Satvik Vidya easily and easily, it is necessary to take refuge in Mother Cow. There is evidence in the scriptures that the hair of Cow Mother - Knowledge resides in Rome and Saraswati resides in the tongue. By serving, being in the company of, and circumambulating the cow, the student acquires knowledge, wisdom and intelligence.

Main Objective of Gurukulam

If we look at the modern education system, the curriculum in the books is anti-cultural, away from cows, insulting martyrs, and distorting history, therefore, unless we provide an atmosphere of Gurukul, this is not possible. May it not be that he is our nation's

To become familiar with the glorious culture and traditions. Therefore Jai Gau Mata Gurukulam, Village- Tana, Akola Chittorgarh is a strong idea. Along with modern technical education, students should get our ancient cow-based Gurukul education, so that students can increase the pride of India by getting educated from Gurukul and serve their parents. Students can be physically, mentally, socially, intellectually, behaviorally and economically well-equipped in all aspects. Develop. Students should contribute to nation building by becoming capable and capable in every way.

Foundation of Gurukulam

Jai Gau Mata Gurukulam was established in the year 2016 by Pujya Gurudev Gopalanand Saraswati Ji Maharaj under the concept of his Pujya Gurudev Brahmalin Swamiramgyan Teerth Ji Maharaj in village Tana, district Chittorgarh Rajasthan. Gurudev Swami Ramgagyan Teerth Ji Maharaj ji had a dream to have such a Gurukul in which the children, after studying, become perfect in every field and bring glory to their parents, their region and the country in the world.

Patron's Message

The primary objective of the Gurukul education system, complemented by cow-based education, is to nurture good moral character, ensure holistic development, and cultivate social responsibility in children, ultimately creating exemplary citizens. This approach aims to foster spirituality while preserving and promoting our rich cultural heritage. JGM Gurukulam, established in the village of Tana, embodies these principles to ensure students excel in all areas.

At JGM Gurukulam, students receive an education deeply rooted in national pride and a profound appreciation for cow culture. This unique blend of traditional values and modern learning prepares our students to bring honor to India. We are committed to providing an education that incorporates the best aspects of the ancient Gurukul system while also equipping students with the knowledge and skills needed in today's world. Our goal is for students to be able to recite Sanskrit shlokas and operate computers with equal proficiency, to excel in Hindi and be fluent in English.

We firmly believe in maintaining the essence of ancient Gurukul education while embracing modern advancements. Our campus is thoughtfully designed to prioritize the well-being and holistic development of students. It features a hostel constructed using Panchgavya products, ensuring a natural and healthy living environment. The dining facilities offer pure and sattvic meals, and the mess is plastered with cow dung for added cleanliness. For health and wellness, we have various medicinal arrangements.

Spirituality and culture are integral to our daily routine, with regular Yagnas to connect students with their spiritual roots. The campus is also well-equipped with facilities for a wide range of activities, including sports, a cowshed, Mallakhamba, judo, karate, dance, music, swimming, and defense training. These activities are designed to ensure students develop physical strength, discipline, and cultural appreciation.

JGM Gurukulam truly embodies its motto: "Bring your child; we will make them human; so great that the world will worship them." We are fully committed to the complete all-round development of our students, ensuring they grow into well-rounded individuals who can thrive in any environment, honoring both their heritage and the demands of the modern world.

Chairman's Message

Hari Om, Jai Gaumata

Education is a subject whose scope is not limited to any particular nation. The importance of education is universal and it is directly related to the mind and heart of man. Education nurtures the dignity of a person and reflects the spiritual side of humanity. It is only through education that we identify the progress or decline of a person or society.

The Gurukul education system has been established in the light of the rich tradition of ancient and eternal Indian knowledge and thought. The aim of the Gurukul educational system is to develop good human beings – capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific thinking and creative imagination, moral values and foundation. JGM Gurukulam is a unique confluence of modern education and ancient culture, where children wake up in the morning and perform Havan and Gau Aarti, study on digital smart boards in the classes and also where today's children practice their traditional sports like Malkhamb, Gurdwara, swimming and Sports like martial arts etc. have been forgotten; in the Gurukul, training is given in all these and at the same time the children's hold on English, Hindi and Sanskrit language is strengthened so that the children of the Gurukul are not left behind in any field of life.

Apart from general education, we inspire students to grow in culture, ethics, and social circle. We here support in providing an ideal Gurukul environment, where education is not limited to books only, but is designed to empower the students in all aspects of life. Our resolve is that we will make students not only good students but also dedicated and capable citizens. We are with you on this journey as we move towards new knowledge and guide children towards their most sublime fulfillment.

I hope that with the grace of Maa Bhagwati Karni ji and the support of all of you, this Gurukul will continue to move forward.

Thank you!

Principal's Desk

Dear Parents and Guardians,

Greetings from JGM Gurukulam, a nurturing sanctuary for education from Nursery to 12th standard in the English medium under the RBSE curriculum. As the proud Principal, I am delighted to introduce our institution, which offers a comprehensive range of streams including Science, Arts, Commerce, and Agriculture.

At JGM Gurukulam, we take immense pride in being a one-stop destination for quality education. Gone are the days of sending your child to distant cities like Kota, Sikar, or Jaipur, as we bring the same level of educational excellence right to your doorstep.

Our commitment to your child's future is unwavering. We provide a well-rounded education that encompasses not just academics but also fosters holistic development. With streams in Arts, Commerce, Science, and Agriculture, we ensure that every student's unique talents and interests are catered to.

Embracing the advancements of the modern world, we integrate the latest technology into our teaching methods. Our smart classrooms equipped with digital panels provide an interactive and engaging learning experience. Additionally, our ERP school software facilitates seamless communication between the school and our esteemed parents, ensuring transparency and involvement in your child's academic journey.

We understand that education is the cornerstone of a successful future, and at JGM Gurukulam, we guarantee that we will never compromise on the quality of education we provide. Our dedicated faculty is committed to nurturing young minds, preparing them not just for exams but for life beyond the classroom.

As you consider the best educational institution for your child, trust JGM Gurukulam to be a beacon of excellence, guiding your child toward a bright and successful future.

Special Information and Rules Regarding Admission in Gurukul Hostel

- 1** Before admission in the hostel, the intellectual and physical level of the student is tested. For this, on arrival in Gurukul, the child is given a written and oral entrance test. This test is taken on the basis of the syllabus studied by the student in the previous exam.
- 2** The student who passes the exam should submit his previous school transfer certificate, result sheet of the previous class, birth certificate, copy of Aadhar card, two photographs of parents and self in the clerk's office in the school within three weeks.
- 3** A small dispensary has been arranged for the students in the hostel. But if due to any reason the student has to be taken to the hospital, then its fee will be payable separately.
- 4** If the student shows any kind of insolence, indiscipline, indecent behavior, drinking alcohol, smoking or any other kind of intoxication, the student will be expelled from Gurukul.
- 5** No deposited fee of the expelled student will be returned.
- 6** The student will not be allowed to meet anyone other than the parents/guardians. Information has to be given to the school two days in advance before coming to meet the student. The permission of the Principal is required before meeting the student. There will be a fine of Rs. 500 for meeting without permission.
- 7** If any student in the hostel keeps any money, valuables, radio, mobile, smart watch, electrical equipment, flammable material or any item prohibited by the Principal in excess of the prescribed amount of Rs. 500, then disciplinary action can be taken against him and the enrollment of that student can be cancelled.

Hence it is requested to all those parents that

**"लाइये आपके लाल को इन्सान बना दें ।
दुनिया पूजे, इतना महान बना दें ।"**

Those who want to make their child great!

Those who want to make their child a scholar!

Those who want to make their child self-dependent!

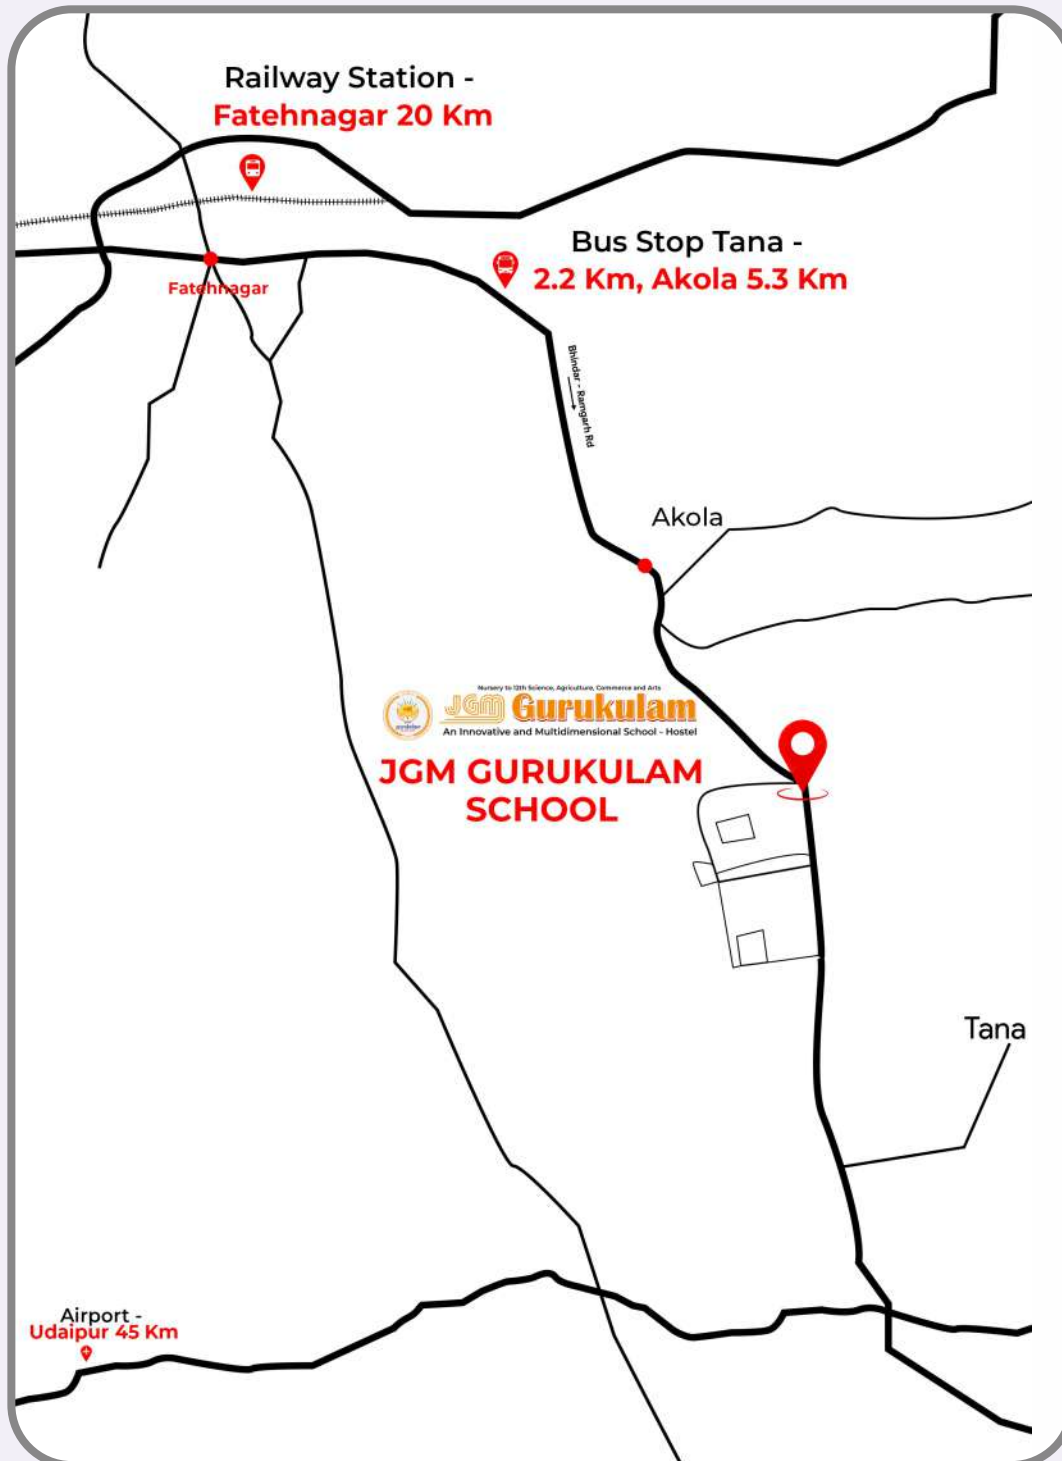

Those who want to make their children virtuous!

Those who want to make their child a true human being!

All parents should offer their children the chance to serve Gau-Mata by enrolling them in this Gurukulam, thereby contributing to their holistic development.
